L'unico al mondo ad aver posseduto una Lamborghini Aventador placcata oro rosa è stato il cantante rap Tyga

with rigid percentages in jewelry yet with a flexible formula that can be interpreted in accessories. Accessories, broadly speaking, because technology firstly – and unexpectedly – has taken on this nuance that is used on smart phones, smart watches and headphones to become one of the most desirable hues. Whether it's lamé, mirrored, glittering or has mother-of-pearl tones, rose gold "coats" casual sneakers just as much as red carpet sandals and handbags perfect for daily use just as much as clutches for evening. It offers a nude effect but is dusted with diamonds, luminescent micro particles or flecks of crystal. Poudrée yet sparkling. To be interpreted with outfits that offer contrast, even all in black.
